SAMPLE SUBMISSION PROCEDURES

for

Midge Tolerant Wheat Refuge Verification

Please submit one sample for each Midge Tolerant Wheat field or CSGA Crop Sequence Number.

1. Complete all sections of the Sample Submission Form. Forms are available from the Canadian Seed Growers' Association (CSGA), Seed Distributors, or online at www.seedtesting.com
2. Label a large paper envelope with the Grower's name and seed sample identification (i.e., Registered Seed Establishment number, CSGA Crop Sequence or Field number).
3. Include 500 grams (approximately 1 lb) of the seed to be tested in a labeled paper envelope. **DO NOT USE PLASTIC BAGS.** The seeds being submitted for testing should **not** have been treated.
4. Enclose the completed Sample Submission form inside the envelope containing the seed sample. Seal the envelope.
5. Address a shipping envelope to the following:

Discovery Seed Labs
450 Melville Street
Saskatoon, Saskatchewan S7J 4M2
6. Insert the envelope containing the seeds and the sample submission form inside the shipping envelope. It is important to have two separate envelopes to ensure that seeds are not lost or mixed during transit.

Please do not submit CSGA's Refuge Declaration Form 182 with samples.
